Celebrate at Cosmos!
Our spectacular panoramic setting, stunning open-air architecture and warm welcome make Cosmos Saint Lucia a magical destination for small, intimate celebrations. We regularly host events marking life's milestones, such as birthdays, anniversaries, family reunions, friendship groups, bachelor and bachelorette parties. This Celebrations Guide, together with our [blog](#), is designed to inform your plans.

You're in good hands

The Cosmos team is headed by owner Anastasia, your first point of contact for reservations and planning your celebration. Our House Manager, Shermika, will assist with all details once you have arrived at Cosmos. In addition to our full time housekeeping, grounds staff and transport providers, we collaborate with a variety of guest chefs, local musicians, floral designers and event planners to make your celebration truly spectacular.

Celebrating at Cosmos

You and your loved ones gathered together, commencing celebrations with Cosmos cocktails and mocktails, made with the island's exceptional tropical fruits. Drinks are served on the Fountain Terrace with its calming water feature and sunset view. Late afternoon is a popular start time, when the heat is cooled by northern trade winds and the light softens, perfect for photos against a variety of backdrops - the Pitons, the Infinity Pool and the terraces. Around six o'clock the setting sun starts to spectacularly paint the sky, bringing an extraordinary ambience to the occasion. A St Lucian musician adds to the occasion, perhaps playing guitar or traditional steel pans.

Hors d'oeuvres may be served to accompany the cocktails. For dinner, choose from a five course Flavours of the Caribbean menu, a Surf and Turf Barbeque Buffet or our Private Dining menu.

Guests dine in The Cantilever, a unique solid wood structure pointing due west to the sea and sunset. The long table is laid either with our all white tableware and clear glassware or our vibrant Colours of the Caribbean collection. Rainforest flowers add to the beauty of the occasion.

A stunning celebratory cake is available from a top pâtissier and is displayed on the Marble Bar in The Cantilever. Champagne or Prosecco is available for toasts. After dinner, guests may relax on the lounge seating in The Cantilever, head to the various terraces to stargaze or embrace some joyous dancing on the Pavilion Terrace, courtesy of a local band or DJ. St Lucian coffee, locally made Emerald Estate chocolate truffles and best quality aged St Lucian rum round off your celebration.

Food,
Drink
&
Decor

The preparation of all food and drink is led by our House Manager who formerly ran a restaurant in the seaside resort of Laborie. For celebratory occasions she is supported by guest chefs, many who have worked in some of St Lucia's finest hotels. All meals at Cosmos are steeped in our ethos: creating a magical experience while minimising our footprint on the beautiful island of St Lucia.

We have carefully crafted a Private Dining menu of delicious home cooked meals that Cosmos guests enjoy throughout their vacation. This is also available for special occasions; choose from three or four courses. In addition, we have specially created celebratory menus, offering a mouthwatering journey through native tropical flavours and seasonal produce.

“We all agreed that our meals at Cosmos rivaled – if not beat – our dinners eaten out (at excellent restaurants). A true testament to the talent within the home.”

Cakes

We commission stunning celebration cakes from a top pâtissier in the capital, Castries. The cake maker has mastered a unique marbling technique that renders these cakes works of art. Cakes are finished with rich butter cream or elegant fondant in your choice of colours, and decorated in varying themes, from beach-rustic to more traditional wedding florals. Flavours available include vanilla, chocolate, coconut, red velvet, lemon-basil, vanilla rum and cookies and cream. Choose from two sizes: single tiers 6-8", serves 14; two tiers 6" or 9" (tall) or 7" or 10" (short), serves 20+.

Flowers

We buy flowers directly from farmers in the nearby rainforest and arrange them in our glass vases. In addition, purple and pink bougainvillea blossoms from the Cosmos gardens add a splash of colour on our table settings.

Decor

Choose from our all white tableware and clear glassware, or our vibrant Colours of the Caribbean collection. Guests are also welcome to bring their own table decorations and cake toppers. Sky lanterns are not allowed given the fire risk they pose for the surrounding woodland, but floating lanterns are permitted.

On the right, a man with dreadlocks is shown in profile, playing a saxophone. The background is a dramatic sky with soft, colorful clouds in shades of orange, pink, and purple, transitioning into a darker blue at the top. The ocean is visible in the lower portion of the frame, with a few small boats in the distance. The overall mood is artistic and serene.
